Abstract of proposed collection:

The Exchange Alumni Virtual Program provides a platform for former participants of U.S. government-sponsored exchange programs to extend and multiply the impacts of their exchanges by virtually engaging with foreign alumni and students. The program supports critical foreign policy goals, such as enhancing English learning and the promotion of American culture and values abroad, particularly in countries where views of American culture may not always be positive. The program also provides American alumni with an opportunity to develop their foreign language skills in critical languages or other competencies gained on their exchange programs, while continuing to deepen their own cultural awareness and global skills.

The information is sought pursuant to the Mutual Educational and Cultural Exchange Act of 1961, as amended (also known as the Fulbright-Hays Act) (22 U.S.C. 2451 *et seq.*)

Respondents to this form are U.S. government-sponsored exchange program alumni. Alumni Affairs collects data from program applicants in order to determine eligibility and to choose the best candidates for the program.

Methodology:

Information will be collected electronically, via the International Exchange Alumni website, alumni.state.gov.

Dated: April 29, 2015.

Rick Ruth,
*Acting Deputy Director,
Bureau of Educational and Cultural Affairs,
Department of State.*
